ADDENDUM NO. 1

Date: September 10, 2014

ITB No. 15-0402

ITB Title: Bush Hogging, Mowing and Related Services – South Lake Regional Park

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

The purpose of this addendum is to provide confirming information to all potential responding vendors in association with this ITB. The information provided herein summarizes discussions at the mandatory pre-proposal meeting held at South Lake Regional Park. Attendees of this meeting are noted on the County website for this solicitation.

He pre-bid walk through tour commenced with a general review of the ITB with specific emphasis paid to various specific terms and conditions of the ITB including:

- It was confirm that this was a mandatory pre-bid walk through and responses would not be accepted from vendors that did not attend this meeting.
- Section 1.3 (Method of Award) states that the County will award the total contract to a single vendor.

It was stated that:

- There are wild animals in this park and vendors shall take all precautions necessary.
- There are an unknown amount (estimated to be a few hundred) of randomly placed 2 foot galvanized pipes with sprinkler heads sticking up from the ground.
- There is not a distinct property line, however, the wet areas north of the park is not a part of this contract and do not need to be maintained.
- Vendors are required to mow to the road (paved and unpaved), not just to the tree line (along Max Hooks Road and Cathedral Lane).
- This is ATV activity in this area.
- Eventually, as funds are available, this land will be engineered and plans will be drawn up, a

- fence will be put up surrounding parts of the park and land will be leveled.
- It is the vendor's responsibility to park on the grass. The dirt road on Cathedral Lane is a private road and the County will not be responsible for repairing or maintaining this dirt road.

Questions and Answers:

Question 1: How can a vendor get a clear grasp regarding the amount of trash removal amount per month?

Answer 1: The vendor is responsible for up to 7 cubic yards per month. In the event that there is an unreasonable amount, a Parks and Trails representative shall be notified immediately.

Question 2: Can the sprinkler heads and pipes be removed so they don't tear up the equipment?

Answer 2: It is the vendor's responsibility to remove the pipes and sprinkler heads.
